# CONCEPT

- What Radicalization means?

- People who are vulnerable to radicalization

# ATTITUDINAL CHANGE

- Commitment

# ATTITUDINAL CHANGE

- *Family and relationships are forgotten in that place. There was no place for love . . . That means a passion and loyalty to that group, to those in charge, to those who sacrificed their lives for the group. Then I came to a stage where I had no love for myself. I had no value for my life. I was ready to give myself fully, even to destroy myself, in order to destroy another person.” (member of the suicide cadre of the Liberation tigers of Tamil Eelam)*

# ATTITUDINAL CHANGE

- Motivation to radicalization and terrorism
  1. Identity crisis
  2. Relative deprivation
  3. Personal characteristics
  4. Empathy

# ATTITUDINAL CHANGE

- Radicalization Process
- 1. Significance Quest
